

Heaven or Hell Game Instructions

Award System

As you play and score points, you can unlock achievements based on your performance. Here's how you can earn each achievement:

- Bible War Award of Seeker: Score 50 points to unlock this achievement.
- Secret Achievement: Awarded when you reach a score of 250.
- Witness Achievement: Earn this by scoring 500 points.
- Streak 7 Achievement: Get 7 correct answers in a row.
- Streak 15 Achievement: Achieve 15 consecutive correct answers.
- The Apprentice Achievement: Unlock this at 500 points.
- Disciple Achievement: Earn this at a score of 1,000.
- Prophet Achievement: Awarded when you reach 2,000 points.
- Scarlet Achievement: Achieve this at a score of 3,000.
- Angel Achievement: The highest honor, unlocked at 4,000 points.

Damage and Health System

Your health in the game starts at 100 points. However, incorrect answers will reduce your health. Here's how damage is incurred:

Incorrect Answer: 20 points are deducted from your health for every wrong answer.

Health Recovery:

- Streak of 2 correct answers: Regain 20 health points.
- Streak of 4 correct answers: Regain 20 health points.
- Streak of 8 correct answers: Regain 20 health points.
- Streak of 10 correct answers: Regain 20 health points.

Note: Health cannot exceed 100 points.

Point System

Your score increases as you answer questions correctly, and the points you earn are based on your current streak of consecutive correct answers:

- Streak less than 5: 10 points per correct answer.
- Streak between 5 and 9: 25 points per correct answer.
- Streak between 10 and 14: 50 points per correct answer.
- Streak of 15 or more: 100 points per correct answer.
